I am advised that the client has omitted to meet the publication deadline in the above-captioned ETC docket. Because the hearing is set for December 9, 2010, I feel as though there remains time to publish without moving the hearing date. The client is advised that if the amended notice is issued by Friday noon, the publication could be made on Tuesday, the 28th. Accordingly, on behalf of the applicant I would respectfully request that the publication deadlines be extended to permit publication within the next week and keep the hearing deadline in place. ORS has no objections to this request.
